God, he recognizes the importance of knowing and understanding what God has said. In this book he tackles five difficult questions, and skillfully guides us to biblically based answers. John Turpin, Author of the book *Victorious Faith 5 Answers* would be a useful tool for a pastor to give someone who has questions and wants to find answers through personal Bible study or in a small group setting. When I was younger in the faith I sought resources like this to help me nail down precisely what I believed. It is an easy, yet informative read. Jimmy Hazlett, Worship Pastor at New Hope Baptist Church in Moreland, KY Many Christians struggle and are in search of answers to tough questions in the Holy Scriptures. Nathan Garnett has made your research easier by dealing with the most problematic areas of biblical truth. Darrell H. Hahn, Hospice Chaplain Pastors and seminary students want our work, even our academic writing, to be beneficial to our own souls and also to our churches and families. Unfortunately, much of our academic work usually provides little direct benefit to those whom we care about the most. To resolve this deficiency, Nathan has re-cast the produce of some of his best research into a more user-friendly format. Hes done this mainly with his family and church in his mind and on his heart. I think hes done us all a great service in the process. Chris Wilson, Pastor of Payneville Baptist Church in Payneville, KY
