Trying to work things out with Nash—her maybe boyfriend—is hard enough for Kaylee Cavanaugh. She can't just pretend nothing happened. But "complicated" doesn't even begin to describe their relationship when his ex-girlfriend transfers to their school, determined to take Nash back. See, Sabine isn't just an ordinary girl. She's a mara, the living personification of a nightmare. She can read people's fears—and craft them into nightmares while her victims sleep. Feeding from human fear is how she survives. And Sabine isn't above scaring Kaylee and the entire school to death to get whatever—and whoever—she wants.

Amazon #1 Bestselling Ghost Story A Top 5 Bestseller in Horror A Top 20 Bestseller in Thriller and Suspense Recommended on USA Today! Read the Bestselling Novel That Has Critics Raving: "I am happy to cheer Mr. Blackwell on as he draws us into his supernatural thriller, <i>The Sanheim Chronicles</i> ."--Mark Metcalf, Actor (<i>The Master</i> , <i>Buffy the Vampire Slayer</i>) "In this edge-of-your-seat thriller, Rob Blackwell introduces the reader to fear in an innovative way: right from the start. <i>A Soul to Steal</i> is simply scary. With the combination of an ancient Celtic myth and the legend of the Headless Horseman, Blackwell’s story is a leave-the-light-on kind of page turner...If you like suspenseful thrillers, check out <i>A Soul to Steal</i> ."-- Indie Reader [Featured on USA Today Books]"Blackwell has woven a Celtic myth, <i>The Legend of Sleepy Hollow</i> , and a serial killer's rampage into a great novel...When everything came together and all the pieces finally fell into place I was completely shocked. The ending was fantastic."--Vanessa The Jeep Diva [Book Blog]"This is a classic `whodunit', where the protagonist and the reader are trying to work out who the murderer is before it's too late. It comes complete with red herrings and potential suspects, and a twist that I was not suspecting. Let's just say that all my guesses for the killer were all wrong, and I did not see the true one coming."-- The Masquerade Crew [Book Blog] "It was hard for me to believe that <i>A Soul to Steal</i> is Rob Blackwell's first novel. I loved how he took just a little bit of the Headless Horseman story and interwove it with his own to make this unique thriller. Anyone could enjoy this book." --Bending the Spine [Book Blog]You Are What You Fear A serial killer on the loose, two reporters in his sights, and a legendary ghost haunting the town...Something is stalking the citizens of Loudoun County, Va. Is it the return of the notorious serial killer known as Lord Halloween? Or is it something worse--a figure that can cloak itself as your worst nightmare?Kate and Quinn, two community journalists, rush to uncover the truth before a promised bloodbath on Halloween night. The debut novel from award-winning journalist Rob Blackwell, <i>A Soul to Steal</i> balances mystery, suspense, romance, action and the paranormal, building to a gripping and unforgettable conclusion. Fans of Stephen King, <i>Buffy the Vampire Slayer</i> , Stephenie Meyer and Jim Butcher will find <i>A Soul to Steal</i> an addictive page-turner. <i>A Soul to Steal</i> is the first book in an amazing new trilogy, <i>The Sanheim Chronicles</i> . See What Critics Are Saying: "You have the paranormal, murder, mystery/thriller, suspense and a little romance all rolled into one great read...Everything comes together incredibly well at the end. The ending of this book was amazing. I highly recommend this book." --Paranormal Romance and Urban Fantasy Book Lovers [Book Blog]"This is one of those novels that manages to blend many different genres into a satisfying read. This is predominately a supernatural thriller, but Blackwell also manages to have a romantic narrative in the story as well which doesn't feel forced or false." -- Ginger Nuts of Horror [Book Blog]"This story is so much more than a who-done-it type book. There are some other paranormal things going on here and no one is sure how, or if, they are related to Lord Halloween. The story is carefully unfolded, bringing some good old fashioned page-turning suspense."--Alaskan Bookie [Book Blog]"It was also interesting to explore how debilitating fear can be and how people react to it with fight or flight, how fear freezes you to the spot when you know you have to hurry and get away from the killer. I'm vague on purpose, peeps. I don't want to give you any spoilers. I just want you to read this book. It's really, really good."--Nocturnal Book Reviews [Book Blog]

Banshees Kaylee and Nash attempt to remain true to one another in the face of Netherworld demons, a nightmare-inducing ex, and a sibling's wrenching choice.

She's stolen souls, she's stolen cars, but is Zahara foolish enough to lose her heart to her former enemy? Zahara, a jinn who'd rather go shopping than haunting, is back in the human world enjoying cool fashion, hot cars, and hotter men—anything to avoid obsessing over Harut, the fallen angel who saved her life and stole her heart in Morocco. Besides, her usually disapproving mother has given her an important quest: find and protect a half-human cousin who's gained strange new magical powers. Jo Bianchi adores fixing cars, country music, and her Iranian-American girlfriend, Parisa. Even after Harut saves her life when she's attacked by a magical bird from Persian legend, and Zahara pops in to talk her into an out-of-this-world family reunion, Jo doesn't want to believe she's been marked for death because of a cursed gift, or that she and her girlfriend's supernatural relatives are bitter enemies. As battle lines are drawn between magical tribes, Zahara's forced to choose between her family and her feelings for Harut, while Jo is stunned to discover she and Parisa are on opposite sides. And while the fighting rages, a far greater threat to them all is waiting to be unleashed...

Supernatural teen Kaylee struggles to balance the demands of her academics with troubles in her romantic life while working to solve the mysterious deaths of her teachers

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

The wrong jinn at the right time, Zahara's a force to be reckless with Zahara, party girl of the paranormal, floats up out of a lamp in Daniel Goldstein's apartment ready to trick a sorcerer into giving up his soul. But Daniel, whose Moroccan grandmother has reached out from beyond the grave to command him to raise a jinn, wants to do good—by stopping a vengeful fallen angel. The nymphomaniacal, shopping-obsessed Zahara isn't the otherworldly ally Daniel had in mind. A do-gooder with a dangerous quest isn't what Zahara's looking for, either. Stuck in a magical contract with each other, the two travel to Morocco, where Zahara's handsome friend Zaid, a jinn who's converted to Islam, reluctantly joins their quest. As Daniel and Zaid struggle against jinn-hunting mercenaries and their attraction to one other, Zahara is forced to join forces with the fallen angel's gorgeous but infuriating brother to stop a cataclysmic war between the human and jinn worlds.

When dealing with demons, the devil's in the details... Stealing mystical and arcane artifacts is a dangerous business, especially for a human, but Zoey Wharton is an exceptional thief. The trick to staying alive is having friends in all the wrong places. While having a witch and a werewolf on the payroll helps, being partners with a vampire really opens doors. Zoey and Daniel were childhood sweethearts until a violent car crash took his life and left her shattered. When Daniel returned from the grave as a vampire, his only interest in Zoey was in keeping her safely apart from the secrets of his dark world. He has vowed to protect her, but his heart seems as cold as the night he calls home. Five years later, a mysterious new client named Lucas Halfer offers Zoey a fortune to steal the Light of Alhorra. The search for the Light leads Zoey into the arms of an earthbound faery prince. Devinshea Quinn sweeps her off her feet, showing her everything the supernatural world has to offer, but Daniel still calls to her heart. As the true nature of the Light is revealed, Zoey discovers Halfer is a demon and much more than money is at stake. Per her contract, she must give him the Light or spend an eternity in Hell. What's a girl to do except fight for her soul...and her heart. *A Thieves Novel* by Lexi Blake

"A Hard Soul to Steal is a collection of poems written from the authors experiences of 12 years of drug addiction, 4 years of homelessness, and the redemption and freedom from addiction, and homelessness, with his own brand of humor thrown in for fun. R.F. Sorrell's story is a true story of success to tragedy to success again. He wears the scars upon his body, but his heart and soul is cheerful and bright and full of love." (Cindy Davis)
