## List of birds of Asia - Wikipedia

The top list on this page is the frequency of birds throughout the year. Many birds are migratory or otherwise vary in abundance between seasons. So the next two lists are the common birds ranked in winter and then in summer. The most common backyard birds in New York in winter (December to February) are these: 1. Black-capped Chickadee (42% ...

## Common backyard birds of New York (lists, photos, ID ...

Baird's Sandpiper: This medium-sized bird has scaled gray-brown upperparts, white underparts and a dark-spotted gray-brown breast. The crown, face and neck are buff with fine brown streaks. It has a white rump with a dark central stripe and black legs and feet. Feeds on insects and spiders.
