May 12, 2015 Dear diary- Wait, no. There's no way I'm starting off like that. This is an explorer's journal, not a book about my middle school crushes. Adventurer's Log, Day 1: Unknown time- perhaps morning I, Sir Benjamin Shortsword, arrived in the new world today, with the blessings of my people ringing in my ears, and outfitted solely with this pencil and diary. Stevespeed to me on this dark and dangerous quest, filled with unknown monsters and devilish evils. May I endure with the perseverance of our founding father, Steve, and fight till victory is won, or until I meet my bitter end in death. I shall fight on, never failing to- Oh, look, a sheep. Unknown time- late evening Enough flowery talk... I should probably just tell you what's going on.

There's not much time. I'm not sure what prompted you to read this, or if anyone ever will read this, but it's important. In case we don't get out, someone should know what happened. If you've found this where I think you did, in the Village archives, then leave it there. Memorize what you need and run. You're not safe here; trust me, I know. This book can lead you to help; get help and get out. Maybe you can finish what we started. Because if this is in the Village archives, if the Village still exists, then we failed. I'm dead. There's not much time. If you found this somewhere else--maybe in a library in a nice colony, in my house, or something like that, then enjoy the story. You're finally safe. But if not... run. They're watching you.
