Presents reproducible patterns and instructions for creating eighteen models that provide insight into life in the thirteen American colonies, and includes background information and extension activities.

Meticulously researched, accurate, and informative—the paper models and lessons in this book will help you teach about Native American tribes of the Northeast. Focusing mainly on the pre-colonial period, students will learn where different tribes lived, about tribal histories and cultures, and how different peoples met their needs for shelter, clothing, food, transportation, and more. Each reproducible model comes with easy how-to's, a step by step lesson, and extension activities.

Contains easy instructions for making twenty models, manipulatives, and mini-books that will teach students in grades two through four about the human body.

Presents fifteen models designed to introduce students in kindergarten through third grade to the pilgrims, their voyage on the "Mayflower," and their settlement in Plymouth.

Great Colonial America Projects You Can Build Yourself introduces readers ages 9–12 to colonial America through hands-on building projects. From dyeing and spinning yarn to weaving cloth, from creating tin plates and lanterns to learning wattle and daub construction. Great Colonial America Projects You Can Build Yourself gives readers a chance to experience how colonial Americans lived, cooked, entertained themselves, and interacted with their neighbors.

This resource guides teachers to help their students learn—and love—American history. Includes instructions for activities that showcase students' creativity and helps them to remember key events and concepts. Illustrations.

In Explore Colonial America!, kids ages 6-9 learn about America's earliest days as European settlements, and how the colonists managed to

survive, build thriving colonies, and eventually challenge England for independence. How did the colonists build homes, feed and clothe themselves, and get along with the Native Americans who were already here? This accessible introduction to the colonial period teaches young children about the daily lives of ordinary colonists and offers fascinating stories about those who helped shape the emerging nation. Activities range from creating a ship out of a bar of soap and building a log home out of graham crackers and pretzels to making a wampum necklace. Projects are easy-to-follow, require minimal adult supervision, and use primarily common household products and recycled supplies. By combining a hands-on element with riddles, jokes, fun facts, and comic cartoons, kids Explore Colonial America!, and have a great time discovering our nation's founding years.

Gives instructions for preparing foods, making clothes, and creating other items used by European settlers in America, thereby providing a description of the daily life of these colonists.

An intriguing look at every aspect of children's life in the new republic.

Describes the samplers stitched by girls in colonial America and explains what these samplers tell about the lives of their makers. Includes simple projects.
