Ephesians 1:2 "Grace be to you, and peace, from God our Father, and [from] the Lord Jesus Christ." Just as grace was the key word in Galatians, it is prominent in all of Paul's letters. He does want the blessings and favor of God to fall upon these people. True peace, just like true grace, comes from the Father and the Lord Jesus Christ.

The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God ' s Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) reflection questions help readers engage the text at a deeper level; (2) " Gospel Glimpses " highlight the gospel of grace throughout the book; (3) " Whole-Bible Connections " show how any given passage connects to the Bible ' s overarching story of redemption, culminating in Christ; and (4) " Theological Soundings " identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God ' s grace on every page of the Bible. The letter to the Ephesians is a source of great encouragement, clearly proclaiming the mystery of the gospel and the supremacy of Jesus while applying that theology to practical living. Made alive in Christ, believers have received a bountiful inheritance and lavish blessings from God, fueling us for holy living. In this study, Eric Redmond opens our eyes to Paul ' s teaching about God ' s astonishing grace—grace that enables us to walk in love, holiness, and wisdom as we become imitators of Christ.

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God ' s wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon ' s conclusion. Edwards puts it this way, " And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners. " While those who would rather ignore God ' s justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, " Before the sermon was done there was a great moaning and crying through the whole House, " what shall I do to be saved; oh, I am going to hell, etc. " " The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, " the amazing and astonishing power of God " was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

An inspiring look at Ephesians and the believer's association with Christ, the world, and Satan. Written by the saintly Chinese pastor, Watchman Nee.

In this guide Stephen E. Fowl introduces students to both theological fruit and critical issues of the letter to the Ephesians. On the theological front, Fowl shows how Ephesians offers an unparalleled cosmic vision of the significance of the death and resurrection of Jesus, of the role of heavenly powers in the universe, and of how the community of Christians is to engage with those powers. Fowl also opens up the major identity questions Ephesians shows existed for early Christians: how to conceive the relationship of Gentiles with the Jews from among whom their faith emerged, and how to live as a Christian within households ordered on patriarchal lines while not capitulating to patriarchy. On the critical front, Fowl provides an introduction to the key critical questions and issues, such as whether this letter was actually written to a church in Ephesus, and whether Paul the apostle was indeed the author of the letter. Yet, whilst there are demanding linguistic, historical and cultural questions to be answered, Fowl is careful to point out that this should not be done at the expense of reading the text closely and appreciating its meaning and message.
