Save time with these ready made food and beverage SOP's. Writing SOP's during a pre-opening is very time consuming and stressful with having to meet your deadlines before the big grand-opening. Time that could be better spent on costing menus and training staff. Below are 12 SOP's for the food and beverage department and are available in word document so that you can edit according to your business needs.

COVID-19 has disrupted supply chains but perhaps none more significantly than food and beverage (F&B). A report late last month from Resilience360 found that the shutdown of manufacturing plants, changing consumer behaviors and price increases have altered F&B supply chains, at least in the near term and perhaps for the long term.
