"Arguably the greatest living travel writer" (Outside magazine), Pico Iyer has called Japan home for more than three decades. But, as he is the first to admit, the country remains an enigma even to its long-term residents. In A Beginner's Guide to Japan, Iyer draws on his years of experience—his travels, conversations, readings, and reflections—to craft a playful and profound book of surprising, brief, incisive glimpses into Japanese culture. He recounts his adventures and observations as he travels from a meditation hall to a love hotel, from West Point to Kyoto Station, and from dinner with Meryl Streep to an ill-fated call to the Apple service center in a series of provocations guaranteed to pique the interest and curiosity of those who don't know Japan—and to remind those who do of its myriad fascinations.

Farewell to faux pas! Minding your manners is an acquired skill, but what serves you well elsewhere could trip you up in Japan. Save yourself possible embarrassment with Etiquette Guide to Japan. An inside look at Japanese social graces, it answers all the questions of the thoughtful traveler. Extensive, specific information on Japanese business etiquette assists readers traveling to Japan for business. Although often overshadowed by a modern facade, long-standing traditional aspects of Japan's culture still influence the country and almost everyone in it. Concrete evidence of this traditional culture can be seen everywhere—in the ancient arts and crafts that are still important parts of everyday life, in the many shrines and temples that dot the nation, and in the modern comeback of traditional fashions such as kimono and yakata robes. To many Western visitors, however, the most obvious example of this traditional culture's strength is the unique etiquette of the Japanese. Like many nations, Japan has experienced vast political, social, and economic change over the past century. But enough of Japan's traditional etiquette remains to set the Japanese apart socially and psychologically, and to make success in socializing and doing business with them a special challenge for Westerners. About this new version: This updated and expanded edition of the best-selling Japanese etiquette guide addresses not just the puzzling protocols relating to name cards, bowing or shaking hands, bathrooms and public baths—but also what to do when entertaining Japanese dinner guests, attending a Japanese tea ceremony, taking the subway, and much more! It also provides the latest etiquette in mobile phone manners, texting, social media and other forms of digital communication. The glossary at the back of the book has been revised to include the latest technology-related words and expressions used by Japanese today. Two new chapters address the changing role of foreigners in the workplace and the contemporary business style and etiquette used by the younger generation of Japanese who are now increasingly cosmopolitan—but still very Japanese!

"This portrait of Japanese country life reminds us that at its core, a happy and healthy life is based on the bonds of food, family, tradition, community, and the richness of nature" —John Einarsen, Founding Editor and Art Director of Kyoto Journal What would it be like to move to Japan, leaving everyone you know behind, to become part of a traditional Japanese household? At Home in Japan tells an extraordinary true story of a foreign woman who goes through an amazing transformation, as she makes a move from a suburban lifestyle in California to a new life, living in Japan. She dedicates 30 years of her life as a housewife, custodian and chataleine of a 350-year-old farmhouse in rural Japan. This astonishing book traces a circular path from were Rebecca began, to living under Japanese customs, from the basic day to day details of life in the house and village, through relationships with family, neighbors and the natural and supernatural entities with which the family shares the house. Rebecca Otowa then focuses on her inner life, touching on some of the pivotal memories of her time in Japan, the lessons in perception that Japan has taught her and the ways in which she has been changed by living in Japan. An insightful and compelling read, At Home in Japan is a beautifully written and illustrated reminiscence of a once simple life made extraordinary.

This is an essential study tool for students seeking to learn Japanese and dramatically improve their ability to read and write kanji and kana. Students have been reading and writing the Japanese language for centuries, and they build their knowledge most successfully when they rely on a trusted resource. Today's most trusted—and readily available—resource is A Guide to Reading and Writing Japanese. This classic, best-selling learning and reference work, trusted by beginning and intermediate students of Japanese is the best way to learn kanji and kana, and is now being offered as a fourth, thoroughly revised and up-to-date edition. Having a knowledge of the full set of General Use characters is the key to mastering everyday Japanese and will allow students to read and write Japanese up to the level of a typical Japanese newspaper with ease and confidence. Key features of this revised edition include: The most recent changes prescribed by the Japanese Ministry of Education. Covers all the 2,136 characters in the 'General Use' / Joyo Kanji set. Special codes indicate the kanji required for the JLPT and AP exams. Full range of Japanese character readings and English definitions Stroke counts, stroke-order diagrams, and compounds. Essential Japanese characters are presented according to the new arrangement by grade, based on their frequency of usage rather than their complexity. Numerous examples are given of the kanji compounds and derivatives used to form everyday words in Japanese.

"Listening to the story is even more dramatic than reading it. It should be purchased by every public and school library." - School Library Journal

"A biography of Isamu Noguchi, Japanese American artist, sculptor, and landscape architect, focusing on his boyhood in Japan, his mixed heritage, and his participation in designing and building a home that fused Eastern and Western influences.

China and Japan have cultural and political connections that stretch back 1,500 years. But today they need to reset their strained relationship. Ezra Vogel underscores the need for Japan to offer a thorough apology for its atrocities during WWII, but he also urges China to recognize Japan as a potential vital partner in the region.

The Japan 2017 Travel Guide is the most up-to-date, reliable and complete guide to this wonderful place. Travelers will find everything they need for an unforgettable visit presented in a convenient and easy-to-use format. Includes quick information on planning a visit, navigating the location, experiencing Japanese culture and exploring the beauty of Japan. Also includes a Japanese phrasebook to help you communicate with the locals. Though very expensive, Japan is one of the most amazing, beautiful, and friendly countries in the world. From Mount Fuji to bustling Tokyo to zen-like Kyoto, Japan is a high-tech world mixed with the politeness and respect of their past. Japan has fantastic food, beautiful temples and shrines, zen gardens, national parks, and a culture with a long and rich history. It's a wonderful place and, while it may be an expensive country to visit, there are plenty of ways to make this country affordable. Don't get scared off by the prices. You won't regret your visit here – it's one of the most amazing places in the world. Let this travel guide help you plan an affordable trip to Japan!
