A collection of Walker's new and unpublished poems with all her earlier poems, offering a historical perspective on the political and spiritual issues of the last three decades.

An anthology of early poetry shares a keen historical perspective on the spiritual, social, and political issues of the last three decades, in works including "Once" and "Revolutionary Petunias & Other Poems." Reprint. 10,000 first printing.

The collected poems of the Pulitzer Prize winning author of THE COLOR PURPLE. 'I am the woman offering two flowers whose roots are twin. Justice and Hope Hope and Justice Let us begin' Alice Walker has been writing poetry since the summer of 1965, when she travelled to East Africa and began the collection ONCE while sitting beneath a tree facing Mount Kenya. Encompassing the collections ONCE, REVOLUTIONARY PETUNIAS & OTHER POEMS, GOOD NIGHT WILLIE LEE I'LL SEE YOU IN THE MORNING, and HORSES MAKE A LANDSCAPE LOOK MORE BEAUTIFUL as well as other poems, this is a wonderful, surprising, entertaining collection that offers a historical perspective on the evolution of both the poetry itself and the political and spiritual inspiration behind it.

Through her role as London's first Young Poet Laureate, Warsan Shire turned her eye to the city, interrogating the capital and its continuing transformation, even while lending voice to its oft unheard or under-represented communities and spaces. Collecting work authored during Shire's tenure, 'Her Blue Body' stands as testament and witness, negotiating the complexities of heritage, cultural sensitivity, sensuality, trauma and womanhood, framed and ordered by a sequence of memorial poems, focused through the lens of Shire's intimate and unflinching vision.

Alice Walker ’ s first published book collects poems written as a student and on her first visit to Africa For readers seeking the origins of Alice Walker ’ s potent, distinctive voice, this collection will provide ample insight. Composed while she was still a student at Sarah Lawrence College in the late 1960s, these poems are already engaged with some of the moral dilemmas that have defined Walker ’ s entire career. Luminous vignettes from her first trip to Africa give way to reflections on the flourishing civil rights movement, while an eye for the transformative power of love and beauty run through all twenty-seven entries. Walker ’ s talents are prodigious, yet it ’ s her pure moral and aesthetic clarity that impress most in this debut work. This ebook features an illustrated biography of Alice Walker including rare photos from the author ’ s personal collection.

Alice Walker has always turned to poetry to express some of her most personal and deeply felt concerns. She has said that her poems—even the happy ones—emerge from an accumulation of sadness, when she stands again in the sunlight. This collection] has two fine strengths—a music that comes along sometimes, as sad and cheery as a lonely woman's whistling—and Miss Walker's own tragicomic gifts (New York Times Book Review).

The author meditates on planetary, political, racial, and feminist issues; reminisces about her family, career, and travels; and describes her participation in a protest at a weapons storage station that led to her arrest.

A smart, funny take on the Charles Dickens classic BLEAK HOUSE—for anyone who ’ s ever held on to a dream just a little too long. New York writer Ricki Carstone knows the odds of Hollywood actually turning her debut novel, Jarndyce and Jarndyce, into a movie are slim. But Moxie Bernard, the most famous teen on the planet, has signed on to star in the option. Plus, the producer is throwing her a super fabulous party in Hollywood (with Moxie!) to celebrate the relaunch of her book with a younger, sexier cover. Maybe it will happen after all. Quitting her dead-end paralegal job to move out to Los Angeles and keep an eye on the project, Ricki meets a handsome out-of-work actor who encourages her to try her hand at screenwriting, and an experienced screenwriter who is willing to help her for a fee, which only starts out small. And then there's her cute neighbor Simon, who thinks her new friends are just taking advantage of her. Will Ricki ever see her name in lights and make it big in Hollywood?

Jess has been in love with her best friend, Kate, for seven years, but her feelings have never been returned. One night they sleep together, and Jess finds out how much it is possible to be hurt by someone close. Jess and Kate struggle to redefine their friendship. They spend a week at Jess's family holiday house in a small seaside town, Awatangi, intending to make the time to talk things through, but the conversations never happen. Kate makes vague promises, but begins to have second thoughts. Jess wants Kate, and nothing else, and is heartbroken that isn't enough. Jess decides – while everything is changing in her life – that she doesn't want to go on living in the city, that she wants to return to Awatangi. Part of her hopes some physical distance between them may help things with Kate, and part of her – frustrated and upset – simply wants to leave Kate behind. In Awatangi, Jess meets Keri, a local lawyer who has also recently returned home. Like Jess, Keri surfs, and like Jess, she seems to feel some attachment to her family roots in Awatangi. Jess is drawn to Keri, but forces herself not to let anything happen. Despite everything, Kate is still Jess's closest friend, and she has loved Kate all her life. She feels she has to give the situation with Kate as long as she can to work itself out. Awatangi is about coping with feelings for a close friend that are not returned, set in a small holiday township on the West Coast of the South Island of New Zealand. It is an exploration of getting what you've always wanted and it not being enough, of being in love with one person and wanting another, and of finding out that life doesn't always turn out as expected.
