While her people look upon the conflict with reverence, Myranda's hate for the war has made her an outcast. When she finds a precious sword among the equipment of a fallen warrior, she believes her luck may have changed. Little does she imagine that the treasure will draw her into an adventure of wizards and warriors, soldiers and rebels, and beasts both noble and monstrous. The journey will teach her much about her potential, about the origins of the war, and about the threat her world truly faces. Will Myranda unlock the secret of bringing peace once and for all, or will the world be lost to the Perpetual War?

Searching for clues, she is startled to find a copy of Sara Harrison Shea's diary hidden beneath the floorboards of her mother's bedroom. As Ruthie gets sucked deeper into the mystery of Sara's fate, she discovers that she's not the only person who's desperately looking for someone that they've lost. This quirky novel - a bestseller in India - chronicles an Indian student's year abroad at an American university. Gopal's hilarious misadventures with the American language, his flamboyant landlady, the ubiquitous hamburger, and, most of all, American women form the basis for this wonderfully truthful story. Faced with the relentless sexuality of his fellow college students, the quintessentially decent Gopal reacts with a mixture of disbelief, sly amusement, and hormonal overload. Throughout his battles with racism, his own insecurity, and his family's warning that he will be severely judged should he dabble in America's temptations, Gopal retains a dignity and surprising shrewdness, rejecting the worst of what America offers even as he recognizes the best. Following reluctantly behind the outrageous leadership of his American friend Randy, the naive but observant Gopal reacts with a wit that far transcends his linguistic limitations.

Ousep Chacko, journalist and failed novelist, prides himself on being "the last of the real men." His wife, Mariamma, finds ways to feed her family despite their lack of money, but in her spare time she fantasizes about Ousep's early death. One day, their seventeen-year-old son, Unni—a boy obsessed with comics—does something terrible and inexplicable. Ousep and Mariamma separately try to solve the mystery of Unni's action but find no answers. Three years later, Ousep receives a package that sends him back to the search. He starts to hound his son's friends and a famous neurosurgeon. Meanwhile, younger son Thoma—a twelve-year-old with below-sea-level self-esteem—falls desperately in love with their haughty, beautiful teenage neighbour, who has her own secrets. The illicit happiness of Other People—a smart, wry and poignant novel—is part mystery, part philosophy and part unlikely love story.
