Adventures of Huckleberry Finn - Project Gutenberg

Adventures of Huckleberry Finn - Project Gutenberg

Adventures of Huckleberry Finn (often shortened to Huck Finn) is a novel written by American humorist Mark Twain. It is commonly used and accounted as one of the first Great American Novels. It is also one of the first major American novels written using Local Color Regionalism, or vernacular, told in the first person by the eponymous Huckleberry "Huck" Finn, best friend of Tom Sawyer and hero of three other Mark Twain books.The book is noted for its colorful description of people and places along the Mississippi River. By satirizing Southern antebellum society that was already a quarter-century in the past by the time of publication, the book is an often scathing look at entrenched attitudes, particularly racism. The drifting journey of Huck and his friend Jim, a runaway slave, down the Mississippi River on their raft may be one of the most enduring images of escape and freedom in all of American literature.

This is a collection of three of the essays written by Mark Twain. Included is The Fly, Thou Shalt Not Kill, and The War Prayer. The War Prayer is a scathing indictment of war, and particularly of blind patriotic and religious fervor as motivations for war. This was published after his death for fear that his family may be affected by his views.

Seminar paper from the year 2007 in the subject English - Literature, Works, grade: 2,7, Friedrich-Alexander University Erlangen-Nuremberg (Anglistik/Amerikanistik), course: PS Mark Twain, language: English, abstract: Having the possibility to read one of Mark Twain's most controversial pieces of literature at university should not be taken for granted by students, as the novel "The Adventures of Huckleberry Finn" had been struggling for its existence in the curriculum and for its title of an American classic from the day its first English edition appeared in 1884. The historical frame around the novel provides the reader insight into the Antebellum South illustrating the limitations which American civilization imposes on individual freedom of African Americans by the time before American Civil War and furthermore attacks on the evil ways in which racism impinges upon their lives. At that point opinions about the novel's correctness arise and critics are divided into detractors and supporters, where opinions range from "racist trash" to "one of the world's greatest books."

Everyone knows the story of the raft on the Mississippi and that ol' whitewashed fence, but now it ' s time for youngins everywhere to get right acquainted with the man behind the pen. Mr. Mark Twain! An interesting character, he was...even if he did sometimes get all gussied up in linen suits and even if he did make it rich and live in a house with so many tiers and gazebos that it looked like a weddin ' cake. All that ' s a little too proper and hog tied for our narrator, Huckleberry Finn, but no one is more right for the job of telling this picture book biography than Huck himself. (We ' re so glad he would oblige.) And, he ' ll tell you one thing—that Mr. Twain was a piece a work! Famous for his sense of humor and saying exactly what ' s on his mind, a real satirist he was—perhaps America ' s greatest. Ever. True to Huck ' s voice, this picture book biography is a river boat ride into the life of a real American treasure.
