Francisco, New Orleans, and New York with this brilliant reinvention of the traditional atlas. From Rebecca Solnit, Rebecca Snedeker, and Joshua Jelly-Schapiro. In the past decade, Rebecca Solnit—aided by local writers, artists, historians, urbanists, ethnographers, and cartographers—has compiled three stunning atlases that have radically changed the way we think about place. Each atlas provides a vivid, complex look at the multi-faceted nature of a city as experienced by its different inhabitants, replete with the celebrations and contradictions that make up urban life. This three-volume paperback set contains: The original, gorgeously designed atlases—Infinite City: A San Francisco Atlas; Unfathomable City: A New

linguists to music historians, ethnographers, urbanists, and environmental journalists-amplified by cartographers, artists, and photographers, it explores all five boroughs of New York City and parts of nearby New Jersey. We are invited to travel through Manhattan's playgrounds, from polyglot Queens to many-faceted Brooklyn, and from the resilient Bronx to the mystical kung fu hip-hop mecca of Staten Island. The contributors to this exquisitely designed and gorgeously illustrated volume celebrate New York City's unique vitality, its incubation of the avant-garde, and its literary history, but they also critique its racial and economic inequality, environmental impact, and erasure of its past. Nonstop Metropolis allows us to

excavate New York's buried layers, to scrutinize its political heft, and to discover the unexpected in one of the most iconic cities in the world. It is both a challenge and homage to how New Yorkers think of their city, and how the world sees this capital of capitalism, culture, immigration, and more." -- Publisher's description.

Presents twenty-two color maps and accompanying essays providing details on the people, ecology, and culture of the city.

"A kaleidoscopic homage both personal and historical . . . Kamiya's symphony of San Francisco is a grand pleasure." --New York Times Book Review

Download File PDF Infinite City A San Francisco Atlas Rebecca Solnit

Reclaiming San Francisco is an anthology of fresh appraisals of the contrarian spirit of the city—a spirit "resistant to authority or control." The official story of San Francisco is one of progress, development, and growth. But there are other, unofficial, San Francisco stories, often shrouded in myth and in danger of being forgotten, and they are told here: stories of immigrants and minorities, sailors and waterfront workers, and poets, artists, and neighborhood activists—along with the stories of speculators, land-grabbers, and the land itself that need to be told differently. Contributors include historians, geographers, poets, novelists, artists, art historians, photographers, journalists, citizen activists,

an architect, and an anthropologist. Passionate about the city, they want San Francisco to be more itself and less like the city of office towers, chain stores, theme parks, and privatized public services and property that appears to be its immediate fate. San Francisco is not alone in being transformed according to the dictates of the global economy. But San Franciscans are unusual in their readiness to confront the corporate agenda for their city.

"Did you know that ... Contrary to the 'official' report of 674 dead, over 3,000 people died as a result of the Great Earthquake of 1906? The San Francisco Ballet Company, founded in 1933, is the oldest resident

Gladys Hansen was the city archivist at the San Francisco Public Library for 47 years. She is now the curator of The Museum of the City of San Francisco"--Unedited summary from book cover.

A Beat Most Anticipated Graphic Novel of Fall 2020 From two bestselling, prizewinning, and critically acclaimed contemporary chroniclers of San Francisco comes a rich, illustrated, idiosyncratic portrait of this great city. Gary Kamiya's Cool Gray City of Love: 49 Views of San Francisco was a #1 bestseller and an award winner. Now he joins forces with celebrated, bestselling artist Paul Madonna to take a fresh look at this one-of-a-kind city. Marrying image and text in a

way no book about this city has done before, Kamiya's captivating narratives accompany Madonna's masterful pen-and-ink drawings, breathing life into San Francisco sites both iconic and obscure. Paul Madonna's atmospheric images will awe: be amazed by his astonishing wide-angle drawing for a jaw-dropping new perspective on the “ crookedest street in the world. ” And Kamiya's engaging prose, accompanying each image, offers fascinating vignettes of this incredible city: witness his story of “ Dumpville, ” the bizarre community that sprang up in the 19th century on top of a massive garbage dump. Handsome and irresistible--much like the city it chronicles--Spirits of San Francisco is both a visual feast and a detailed,

personal, loving, informed portrait of a beloved city.

A passionate, thought provoking exploration of walking as a political and cultural activity, from the author of the memoir *Recollections of My Nonexistence* Drawing together many histories--of anatomical evolution and city design, of treadmills and labyrinths, of walking clubs and sexual mores--Rebecca Solnit creates a fascinating portrait of the range of possibilities presented by walking. Arguing that the history of walking includes walking for pleasure as well as for political, aesthetic, and social meaning, Solnit focuses on the walkers whose everyday and extreme acts have shaped our culture, from philosophers to poets to

Download File PDF Infinite City A San Francisco Atlas Rebecca Solnit

mountaineers. She profiles some of the most significant walkers in history and fiction--from Wordsworth to Gary Snyder, from Jane Austen's Elizabeth Bennet to Andre Breton's Nadja--finding a profound relationship between walking and thinking and walking and culture. Solnit argues for the necessity of preserving the time and space in which to walk in our ever more car-dependent and accelerated world.
