MAINTENANCE DEPARTMENT
The contents of the Highway Maintenance Manual reflect the policies, guideline, and practices of the Wisconsin Department of Transportation (hereinafter called the Department). It is impractical, if not impossible, to compile a manual of this type which addresses or anticipates all possible situations.

Wisconsin Department of Transportation Highway maintenance ...
The Maintenance Manual provides maintenance personnel with procedures and guidelines for maintaining the highway system in Washington State. It focuses on equipment, materials, facilities, techniques and other information to carry out maintenance activities of the department. This manual does not establish absolute standards but provides uniform operating procedures and performance guidelines.

Publications - Maintenance Manual | WSDOT
For example the U.S. Department of Defense requires the development of a Facility Electronic Operation and Maintenance Support Information (eOMSI) manual for a facility that houses engine test cells. Others may simply require that equipment vendor/manufacturer commercial manuals be organized by service or trade, and compiled in 3-ring binders.

Comprehensive Facility Operation & Maintenance Manual ...
Administrative operations of the Maintenance Department include: 3.1 Program coordination for the Department and liaison with all other Departments for the procurement and maintenance of all real property, production equipment, utility services, and communication services. 3.2 Preparation of Maintenance Department budgets. 3.3 Coordination with other departments in the preparation of their maintenance budgets.
