Engineer

Employment

Reference Letter

Recommendation

letter is written,

when you would

like to recommend

Online Library

Mechanical

any of your subordinates or colleagues or college juniors for a job. Since, engineering is a competent field, where the candidate will face severe competition. It is important that the recommendation letter sent should be professional and

Online Library Mechanical

to the point. The letter should be addressed to the appropriate person and mention the correct designation of the person.

Writing a generic salutation creates a bad impression.
