powerful and respected mob bosses of all time. Jimmy Nap's career took him from street-level crime to an assassination attempt on Elliot Ness; from a relationship with Cuban strongman Fulgencio Batista to becoming a Mob Kingpin who ruled over the largest gambling empire in America for almost 40 years. Jimmy Nap's sphere of influence extended to many businesses and industries, including professional boxing, casinos, and entertainment.

**#1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS** In this iconic memoir of his early days, Barack Obama “guides us straight to the intersection of the most serious questions of identity, class, and race” (The

Washington Post Book World). “Quite extraordinary.”—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother’s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father’s life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* “Beautifully crafted . . . moving and candid . . . This book belongs on the

is an exquisite, sensitive study of this wonderful young author's journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white."—Marian Wright Edelman

In this dual autobiography, father and son discuss their war experiences in Vietnam, how the tragedy of cancer--caused by exposure to Agent Orange--has affected their lives, and how their courage and love for each other helps them with their struggle

In the Kingdom of God, each person's destiny is the playing

## Online Library My Father My Don

out of that person's unique identity as a son of God, regardless of gender, race, or background. To embrace one's identity as a son, one must change his prevailing culture. In this season, God is building His House in the earth, with the relationship of fathers and sons as its foundation. Effecting cultural changes requires a trans-generational effort, in which a change in the culture is but one of the first steps of a long journey to reestablish, fully, the House of God. This journey is meant to reposition man in the relationship with God as Father, as God intended from the beginning. The purpose of repositioning humankind as sons and heirs to God is to establish the family of God on the earth and to display the love of God, through his sons, to all of creation. Whereas the destiny of each son of God is vitally important, the entire

## Online Library My Father My Don

purpose of God can only, ultimately, be accomplished through the corporate form—the House of God.

When his father died, J. R. Ackerley was shocked to discover that he had led a secret life. And after Ackerley himself died, he left a surprise of his own—this coolly considered, unsparingly honest account of his quest to find out the whole truth about the man who had always eluded him in life. But Ackerley's pursuit of his father is also an exploration of the self, making *My Father and Myself* a pioneering record, at once sexually explicit and emotionally charged, of life as a gay man. This witty, sorrowful, and beautiful book is a classic of twentieth-century memoir.

Russ Hazelwood fathers an illegitimate son to a young African woman, a fact known only to his friend Jack Daw. Can he be trusted to keep this secret? This novel is by the author of 'A Long Way From Heaven'.

A #1 New York Times bestselling author traces her father's life from turn-of-the-century Warsaw to New York City in an intimate memoir about family, memory, and the stories we tell. "An accomplished, clear-eyed, and affecting memoir about a man who is at once ordinary and extraordinary."--Forward Long before she was the acclaimed author of a groundbreaking book about women and men, praised by Oliver Sacks for having "a novelist's ear for the way people speak," Deborah Tannen was a girl who adored

her father. Though he was often absent during her childhood, she was profoundly influenced by his gift for writing and storytelling. As she grew up and he grew older, she spent countless hours recording conversations with her father for the account of his life she had promised him she'd write. But when he hands Tannen journals he kept in his youth, and she discovers letters he saved from a woman he might have married instead of her mother, she is forced to rethink her assumptions about her father's life and her parents' marriage. In this memoir, Tannen embarks on the poignant, yet perilous, quest to piece together the puzzle of her father's life. Beginning with his astonishingly vivid memories of the Hasidic community in Warsaw, where he was born in 1908, she traces his journey: from arriving in New York City in 1920 to

## Online Library My Father My Don

quitting high school at fourteen to support his mother and sister, through a vast array of jobs, including prison guard and gun-toting alcohol tax inspector, to eventually establishing the largest workers' compensation law practice in New York and running for Congress. As Tannen comes to better understand her father's--and her own--relationship to Judaism, she uncovers aspects of his life she would never have imagined. Finding My Father is a memoir of Eli Tannen's life and the ways in which it reflects the near century that he lived. Even more than that, it's an unflinching account of a daughter's struggle to see her father clearly, to know him more deeply, and to find a more truthful story about her family and herself.
