Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

Explains how cars work, answers questions about repair problems, and tells how to prolong the life of a car

She has hardly any choices left, and they're all dangerous... With her clan on the wrong side of the struggle for the Scottish throne, heiress Daphne Macleod, once the toast of the court, is out of options. Norris Sutherland, heir to the Earl of Sutherland, once helped Daphne escape an unwanted betrothal, but she walked away from him without a backward glance. Now after her fall from privilege and on the run from a vicious clan leader who wants to marry her, then murder her for her (supposed) hidden fortune, Daphne needs Norris more than ever. But he may be lost forever...unless she can somehow convince him to forgive her.
