cutting-edge knowledge to guide successful retailing in the new millennium. In our competitive world, retailing is an exciting, complex and critical sector of business in most developed as well as emerging economies. Today, the retailing industry is being buffeted by a number of forces simultaneously, for example the growth of online retailing and the advent of 'radio frequency identification' (RFID) technology. Making sense of it all is not easy but of vital importance to retailing practitioners, analysts and policymakers.

"M: Marketing, 8e emphasize how marketing has evolved into its present-day, integral business function of creating value. It also focus on how firms maintain value and rely on value for establishing lasting relationships with their customers"--

Value-Added, Every Time. Grewal's value-based approach emphasizes that even the best products and services will go unsold if marketers cannot communicate their value. M: Marketing is the most concise, impactful approach to Principles of Marketing on the market, with tightly integrated topics that explore both marketing fundamentals and new influencers, all in an engaging format that allows for easy classroom and assignment management. A robust suite of instructor resources and regularly updated Grewal/Levy author blog provide a steady stream of current, fresh ideas for the classroom. Grewal/Levy's M: Marketing 6th edition is available through McGraw-Hill Connect®, a subscription-based learning service accessible online through personal computer or tablet.
