Ally Nightingale has secrets. Secrets she doesn ' t even share with the Rock Chicks. But two men know what she ' s up to. One has her back. The other has her heart, but he doesn't know it. As Ally rewinds the last year of her life, she knows two things. One, she ' s never going to get what every Rock Chick should have—her own Hot Bunch guy. And two, she ' s a Nightingale through and through. She just isn ' t sure what to do about that. But as her secrets are revealed, the men in her life react. Darius Tucker, a lifelong friend, as usual takes her back. Ren Zano, the man she loves, isn ' t quite so sure. The Rock Chicks, Hot Bunch and the entire gang at Fortnum ' s weigh in, and a Rock Chick Revolution starts brewing. It ' s up to Ally to control it and prove what she knows down to her bones. She ' s a Rock Chick, she deserves her hot guy and she ' s going to keep the one she wants... Because she ' s a Nightingale.

Indy Savage, a rock chick and used bookstore owner, and Lee Nightingale, head of Nightingale Investigations, team to solve the mystery of missing diamonds belonging to her boss, and why bad guys are shooting at him. In the process a mutual attraction develops between them.

As a Rock Chick, Shirleen Jackson lived through all the kidnappings and explosions. Along the way, she also watched the dramatic love stories that came with those rides unfold. But long ago, Shirleen made her choice. It affected who she was and would always be. She decided to settle for what she had and not want more. She had good friends. She was raising two fine young men who weren ' t hers, but she loved them anyway. She was good. And then Moses Richardson crashed into her life, literally...and deliberately. Moses has different ideas about Shirleen. He ' s more interested in the Shirleen of now, mostly because she ' s interesting. And funny. And loyal. Smart. Beautiful. But Moses has a big challenge on his hands. He has to convince Shirleen of all that. And then convince her she deserves to have more.

Sadie Townsend is known by all as The Ice Princess and she ' s worked hard to earn her reputation. Her father, a now-incarcerated Drug Lord, has kept her under his thumb her whole life and she ' s learned enough from living in his world to give everyone the cold shoulder. But one inebriated night, she shows the Real Sadie to the undercover agent she knows is investigating her father, the handsome Hector Chavez, and he knows he ' ll stop at nothing to have her. Hector makes one (huge) mistake; he waits for Sadie to come to him. Tragedy strikes and Sadie ' s got a choice, she can retreat behind her Ice Fortress or she can embrace the Rock Chick/Hot Bunch World. Guided by Hector, the Rock Chicks, the Hot Bunch and her new gay roommates, Buddy and Ralphie, Sadie negotiates a life out from under her father ' s thumb, a life that includes poison, arson and learning how to make s ' mores.

Roxie 's on the run from a bad boyfriend who will not catch the hint that it is o-v-e-r. She 's in no mood for love at first sight, but when her eyes fall on Hank, it 's trouble from the get-go. Roxie tries to hold Hank at arms length but Hank wants to be a closer (as in, a lot closer). Roxie 's trouble catches up with her and Hank wants to help but Roxie knows in her heart that she 's no good for a white hat guy. The problem is no one agrees with her, especially her crazy hippie best friend Annette or her parents; the even crazier small-Indiana-town Herb and Trish. Toss into the mix the gang from Rock Chick and Rock Chick Rescue and Roxie finds herself totally outnumbered. Climb in for another Rock Chick wild ride through Rock Chick Redemption. As the odds stack up against Roxie, she has no choice but to hold on and just ride it out through the kidnappings, car chases, society parties, a riot at the strip club, Hank getting " Mom Bombed " and one crazy night at the Haunted House. During all this Hank works at convincing her she really wants to stay and he, along with the Hot Bunch, go all out to make her safe. Hank also needs to work on showing Roxie that her past decisions don 't mean her future can 't include something as downright delicious as... normal.

Since Luke Stark, Ava's childhood crush, is now a badass mother, she thinks to enlist him, but changes her mind at the last second. Too late. Luke knows she's up to something and he's already seen many a Rock Chick try to fight her own battles without the Hot Bunch stepping in. He's having none of it. She's having none of him. The clash of the Rock Chick and Hot Guy begins, but Luke's got the advantage. He has handcuffs and he's not afraid to use them.

The brother known as Hound has a reputation. He 's all about cracking heads, having a good time, and when the Chaos Motorcycle Club needs someone to do the tough job, they call on him. But Hound has a secret. He fell in love with a woman years ago. She 's untouchable. Unattainable. And even when her status changes, for Hound, it remains the same. Keely Black had it all early and lost it all not long after. Thrown into an abyss of loss and grief, she 's faced a life of raising two sons alone and battling the rage at all that had been ripped from them. And why. Keely sees she 's wasting her life not opening herself to the love of a good man.

Stella Gunn is the lead singer and lead guitarist of the Blue Moon Gypsies and Stella used to be Mace's girl. But Kai "Mace" Mason broke up with her and the loss of him rocked her world. One night, Stella gets a call, late (again), from one of the members of her crazy band. She has to go play clean up (again) and runs into Mace (and a shed load of police) and ends up getting shot. Mace finds he doesn't like it much that his ex-girlfriend got shot right in front of him, but it's worse. A very bad man has thrown down the gauntlet and all the Rock Chicks are in the firing line. Stella doesn't want Mace to be the one to keep her alive, but she has no choice. Mainly because Mace isn't giving her one.
