The management of the existing oil and gas institutions in Iraq is one of the country, and specially, the oil and gas industry in Iraq, there needs to be more investigation into how to optimize the exploitation of natural resources for better economic benefits for all parties (the owner of the resources as well as International oil companies). The close cooperation between the Ministry of Oil in Iraq and the IOC Is and state oil should be open for reorganization and restructuring in order to benefit the entire country and to develop the process of integration in international markets.
