New Zealand indie pop super-kid BENEË has helped celebrate the 10 year anniversary of Gotye's global hit, 'Somebody That I Used To Know'.

From the award-winning author of *Some Boys* comes an unflinching examination of rape culture that delves into a family torn apart by sexual assault. It's been two years since the night that changed Ashley's life. Two years since she was raped by her brother's teammate. And a year since she sat in a court and watched as he was

given a slap on the wrist sentence. But the years have done nothing to stop the pain. It's been two years of hell for Derek. His family is totally messed up and he and his sister are barely speaking. He knows he handled it all wrong. Now at college, he has to come to terms with what happened, and the rape culture that he was inadvertently a part of that destroyed his sister's life. When it all comes to head at Thanksgiving, Derek and Ashley have to decide if their relationship is able to be saved. And if their family can ever be whole again.

A beautiful story of love, family and second chances, with a remarkable family at its heart, from the Sunday Times bestselling author. So much can change in half a lifetime... Then At fifteen, George is the foster brother Leah never asked for. As the angry, troubled boy struggles to come to terms with his circumstances, Leah finds herself getting drawn closer to him. Theo's wealthy family have mysteriously pulled him out of boarding school and he's now enrolled at the local state school with Leah and George. When their worlds collide that summer, the three teenagers form a bond they believe will be unbreakable. But life doesn't always go to plan... Now Shocking news brings Leah back to Yorkshire, baby daughter in tow. But Emilie's father Theo isn't with them, and George has unexpectedly returned. After half a lifetime, have they healed the scars of their pasts? Will coming back home set their hearts in a different direction? 'I can't even cope with how much I love Someone I Used to Know. It's so wonderful and warm and clever and funny' LUCY VINE 'A beautiful story about love and family and healing broken hearts. It swept me up and wouldn't let me go - I had tears in my eyes by the end. I loved it' BETH O'LEARY 'A wonderful story of love, family and loss and the ties that bind us' DANI ATKINS 'Broke my heart, pieced it back together, and made it soar' ZOË FOLBIGG 'An absolute tearjerker, full of love for the family we're born into and the one we build along the way. This book will live in my heart for a long, long time' LINDSEY KELK 'Someone I Used to Know had me hooked from the first page to the last. I adored everything about this gorgeous story and the unforgettable family at its heart' CATHERINE ISAAC Praise for Paige Toon: 'You'll love it, cry buckets and be uplifted' MARIAN KEYES 'Tender, heartbreaking and magical' GIOVANNA FLETCHER 'Heart-warming, wistful and full of joy' LINDSEY KELK 'Poignant and lovely, warm and wise' MILLY JOHNSON 'Family secrets, new horizons and a gorgeous continent-crossing romance... prepare to be swept away!' LUCY DIAMOND 'Warm, inspiring, like a holiday mood in book form' MHAIRI MCFARLANE 'For smart, romantic fiction, look no further than the new book from bestselling Paige Toon' RED 'Achingly romantic and brilliantly written... Five Stars!' HEAT 'Simply gorgeous' SUN 'You won't be able to put down this emotional read' CLOSER 'Paige Toon is the queen of will-they/won't-they romance, setting up an ending that will leave you in bits' SUNDAY EXPRESS 'Full of living-in-the-moment and what-might-have-been contrasts, this tender read pulls at the heart strings' FABULOUS

"A brave and illuminating journey inside the mind, heart, and life of a person with early-onset Alzheimer's disease."—Lisa Genova, author of *Still Alice*

Wendy Mitchell had a busy job with the British National Health Service, raised her two daughters alone, and spent her weekends running and climbing mountains. Then, slowly, a mist settled deep inside the mind she once knew so well, blurring the world around her. She didn't know it then, but dementia was starting to take hold. In 2014, at age fifty-eight, she was diagnosed with young-onset Alzheimer's. In this groundbreaking book, Mitchell shares the heartrending story of her cognitive decline and how she has fought to stave it off. What lay ahead of her after the diagnosis was scary and unknowable, but Mitchell was determined and resourceful, and she vowed to outwit the disease for as long as she could. As Mitchell learned to embrace her new life, she began to see her condition as a gift, a chance to experience the world with fresh eyes and to find her own way to make a difference. Even now, her sunny outlook persists: She devotes her time to educating doctors, caregivers, and other people living with dementia, helping to reduce the stigma surrounding this insidious disease. Still living independently, Mitchell now uses Post-it notes and technology to remind her of her routines and has created a "memory room" where she displays photos—with labels—of her daughters, friends, and special places. It is a room where she feels calm and happy, especially on days when the mist descends. A chronicle of one woman's struggle to make sense of her shifting world and her mortality, *Somebody I Used to Know* offers a powerful rumination on memory, perception, and the simple pleasure of living in the moment. Philosophical, poetic, intensely personal, and ultimately hopeful, this moving memoir is both a tribute to the woman Wendy Mitchell used to be and a brave affirmation of the woman she has become. Praise for *Somebody I Used to Know* "Remarkable . . . Mitchell gives such clear-eyed insight that anyone who knows a person living with dementia should read this book."—*The Times* (London) "A landmark book . . . The best reward for [Mitchell's] courage and candour would surely be fundamental changes in the way people with dementia are treated by society."—*Financial Times*

The breakout author of *The Forgotten Girl* and *Cemetery Girl*, "one of the brightest and best crime fiction writers of our time" (*Suspense Magazine*) delivers a new novel about a man who is haunted by a face from his past.... When Nick Hansen sees the young woman at the grocery store, his heart stops. She is the spitting image of his college girlfriend, Marissa Minor, who died in a campus house fire twenty years earlier. But when Nick tries to speak to her, she acts skittish and rushes off. The next morning the police arrive at Nick's house and show him a photo of the woman from the store. She's been found dead, murdered in a local motel, with Nick's name and address on a piece of paper in her pocket. Convinced there's a connection between the two women, Nick enlists the help of his college friend Laurel Davidson to investigate the events leading up to the night of Marissa's death. But the young woman's murder is only the beginning...and the truths Nick

uncovers may make him wish he never doubted the lies.

New York Times bestselling author of *On the Island*, Tracey Garvis Graves, presents the compelling, hopelessly romantic novel of unconditional love. Annika Rose is an English major at the University of Illinois. Anxious in social situations where she finds most people's behavior confusing, she'd rather be surrounded by the order and discipline of books or the quiet solitude of playing chess. Jonathan Hoffman joined the chess club and lost his first game—and his heart—to the shy and awkward, yet brilliant and beautiful Annika. He admires her ability to be true to herself, quirks and all, and accepts the challenges involved in pursuing a relationship with her. Jonathan and Annika bring out the best in each other, finding the confidence and courage within themselves to plan a future together. What follows is a tumultuous yet tender love affair that withstands everything except the unforeseen tragedy that forces them apart, shattering their connection and leaving them to navigate their lives alone. Now, a decade later, fate reunites Annika and Jonathan in Chicago. She's living the life she wanted as a librarian. He's a Wall Street whiz, recovering from a divorce and seeking a fresh start. The attraction and strong feelings they once shared are instantly rekindled, but until they confront the fears and anxieties that drove them apart, their second chance will end before it truly begins.

Adley Adair's ex-boyfriend did more than just write an international bestseller about their failed relationship. He exposed all her dirty little secrets to the world and locked all her demons into print, masquerading it as a love story. Three years removed from the relationship that changed her life, Adley is just a college student who wants nothing more than to forget the whole thing ever happened, but when the studio making Cam's book into a movie makes her an offer she can't refuse, Adley finds herself back on a plane to California and the life she thought she'd left behind. Now, she's not just dealing with the only man she's ever loved, but also the Australian movie star who refuses to let her hide from a past that she can't change.

Some girls say no. Some boys don't listen. When Grace meets Ian, she's afraid. Afraid he'll reject her like the rest of the school, like her own family. After she accuses Zac, the town golden boy, of rape, everyone turns against her. Ian wouldn't be the first to call her a slut and a liar. Except Ian doesn't reject her. He's the one person who looks past the taunts and the names and the tough-girl act to see the real Grace. He's the one who gives her the courage to fight back. He's also Zac's best friend. "A bold and necessary look at an important, and very real, topic. Everyone should read this book." - Jennifer Brown, author of *Thousand Words* and *Hate List* A gut-wrenching, powerful love story told from alternating points of view by the acclaimed author of *Send*.

Pop music surrounds us - in our cars, over supermarket speakers, even when we are laid out at the dentist - but how often do we really hear what's playing? Switched on Pop is the book based on the eponymous podcast that has been hailed by NPR, Rolling Stone, The Guardian, and Entertainment Weekly for its witty and accessible analysis of Top 40 hits. Through close studies of sixteen modern classics, musicologist Nate Sloan and songwriter Charlie Harding shift pop from the background to the foreground, illuminating the essential musical concepts behind two decades of chart-topping songs. In 1939, Aaron Copland published *What to Listen for in Music*, the bestseller that made classical music approachable for generations of listeners. Eighty years later, Nate and Charlie update Copland's idea for a new audience and repertoire: 21st century pop, from Britney to Beyoncé, Outkast to Kendrick Lamar. Despite the importance of pop music in contemporary culture, most discourse only revolves around lyrics and celebrity. Switched on Pop gives readers the tools they need to interpret our modern soundtrack. Each chapter investigates a different song and artist, revealing musical insights such as how a single melodic motif follows Taylor Swift through every genre that she samples, André 3000 uses metric manipulation to get listeners to "shake it like a Polaroid picture," or Luis Fonsi and Daddy Yankee create harmonic ambiguity in "Despacito" that mirrors the patterns of global migration. Replete with engaging discussions and eye-catching illustrations, Switched on Pop brings to life the musical qualities that catapult songs into the pop pantheon. Readers will find themselves listening to familiar tracks in new ways and not just those from the Top 40. The timeless concepts that Nate and Charlie define can be applied to any musical style. From fanatics to skeptics, teenagers to octogenarians, non-musicians to professional composers, every music lover will discover something ear-opening in Switched on Pop.

'Heart-warming, poignant and uplifting' Lucy Coleman, author of *Snowflakes Over Holly Cove*. Two women. Two very different lives. One unexpected friendship. Amanda King and Tess Cuffe are strangers who share the same Georgian house, but their lives couldn't be more different. Amanda seems to have the perfect life. But the reality is a soulless home, an unfaithful husband and a very lonely heart. While Tess has spent a lifetime hiding and shutting her heart to love. But if they can open up to one another, these two women may just learn that sometimes letting go is the first step to moving forward and new friendships can come from the most unlikely situations. Perfect for fans of Lucy Diamond, Marian Keyes, Rowan Coleman and Veronica Henry. Praise for *The Girl I Used to Know*: 'A beautiful love story - full of a warmth and redemption' Kate Kerrigan. 'I absolutely loved this perfect autumn-y read - Faith Hogan really is a name to watch out for' Claudia Carroll. 'The Girl I Used to Know is an engaging and emotive story of unlikely friendships and second chances' Carmel Harrington, Sunday Times Bestseller. 'The Girl I Used To Know is the perfect Christmas gift!' Ballina Community Radio.
